

## AQUACULTURE WATER SYSTEMS QUESTIONNAIRE

Your project is very important to us. In order for us to determine the best possible solution to your needs you must provide as much information as is possible including test result and diagrams with descriptions of processes and/or existing treatment. We will be happy to contact you if more information is needed.

1. What is the water flow through the tanks? \_\_\_\_\_.
2. What is the circulating flow (if recirculation is used)? \_\_\_\_\_.
3. Provide a sketch of the layout and elevation of the present hydraulics. Please mark the size and head pressure of your pump(s), size the flow in all pipes, include the volume of all tanks. Show approximate distances between the water source, pump house, aeration tower(s), fish tanks, and manifolds.
4. Please provide your local laboratory water analysis showing BOD, COD and other typical compounds and point out what would you like to improve. Please provide your water test results.
5. What kind of fish or other marine life do you have? \_\_\_\_\_.
6. Is there a clean and dry room available, of what size? \_\_\_\_\_.
7. Do you plan any future expansion? \_\_\_\_\_.
8. Is there a source of dry air or oxygen on the site? If so, what capacity (if any) would be available for ozonation treatment? \_\_\_\_\_.
9. What electrical power is available?  
Standard Line, \_\_\_\_\_ Volts, \_\_\_\_\_ Phases, \_\_\_\_\_ Cycles (Hz.).  
Local Generator, \_\_\_\_\_ Volts, \_\_\_\_\_ Phases, \_\_\_\_\_ Cycles.
10. Do you wish to interface the ozonation system into your system computer? If so, please indicate what functions do you wish to monitor or control \_\_\_\_\_.
11. Required / Desired project completion date? \_\_\_\_\_.

We will be pleased to review this information and propose the best water treatment for your application. We will be happy to contact you if more information is needed. Please fax or e-mail this form with all information and drawing(s) to: Application Design at **1-360-794-0856**. If you have any questions please call our application design department at **1-360-794-9511**.
